

EXPERIENCE CERTIFICATE

Date: July 1, 2026

TO WHOM IT MAY CONCERN

This is to certify that Mr. Armaan Siddiqui was employed with Gozoom Technologies in the position of software engineer intern from July 1st, 2025, to June 30th, 2026.

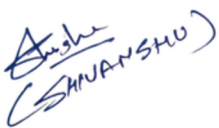

During his tenure of one year, Armaan consistently demonstrated a high level of technical proficiency and professional dedication. Reporting to Mr. Mohit Chhabra, his key responsibilities included the following:

- Task Execution: Successfully delivering technical requirements and project milestones.
- Problem Solving: Navigating complex software challenges with analytical precision.
- Collaboration: Working effectively within a team environment to achieve collective goals.
- Innovation and Creativity: Contributing fresh perspectives and creative solutions to development tasks.
- Professionalism: Maintaining a high standard of conduct and commitment to the organisation.
- Learning and Development: Proactively expanding his technical skill set during his time with us.

Armaan has proven himself to be a diligent professional with a strong aptitude for software engineering. He is leaving the company of his own accord to pursue further opportunities.

We appreciate his contributions to Gozoom Technologies and wish him the very best in all his future endeavours.

Yours sincerely,

SHIVANSHU RASTOGI

Director (Gozoom Technologies)
